The Department of Children and Families, Office of Child Care Regulation has completed the rule promulgation process for Child Care Standards, Chapter 65C-22, Florida Administrative Code. The new rule language became effective on October 25, 2017. Please be advised that your program will be monitored using the new standards during your next licensing routine or renewal inspection whichever inspection type is due next based on your license expiration date. To access the new rule language visit the following link: <https://www.flrules.org/gateway/ChapterHome.asp?Chapter=65C-22>

The provider already had a copy of the new facility rules and statutes. A copy of the standard classification document was emailed to the provider.
