### **Counselor Comments**

\*\*\*A copy of the Matrix was given and discussed with the provider.

During the 2018 Legislative Session, House Bill 1079 and House Bill 1435 were passed by the legislature and signed into law by the governor. These two laws became effective on July 1, 2018.

Rilya Wilson Act In efforts to meet HB 1435 requirements, the Office of Child Care Regulation has developed the Rilya Wilson Act flyer. This flyer outlines the providers responsibilities for ensuring continuity of care and reporting absences of children in out-of-home placement that are enrolled at their facility/home.

Distracted Adult HB1079 amended s. 402.305(9), F.S. requiring operators of child care facilities and homes must provide parents with information pertaining to the dangers of leaving a child in a vehicle and tips for prevention during the months of April and September. Providers may create their own flyer or use the one created by the Department. Licensing Counselor emailed the Rilya Wilson Act and the Distracted Adult flyer on: July 9, 2018
